**Training Sessions  
at Young Rider Camp for  
Training Level 3-Day Event  
at GMHA**

The Area I Young Rider Program is fielding three (3) teams of four (4) riders each (a total of 12 riders) to compete together at the Training Level 3-Day Event from July 28-August 1, 2008 at GMHA in Woodstock, VT. Top trainers John Bourgoïn and Jane Hamlin will coach the Area 1 teams including providing educational information, course walks and warm-ups for each phase.

This competition is a one-of-a-kind opportunity to experience the “classic” eventing format including steeplechase, and roads and tracks. All riders hoping to compete at the one \* star level in the future or to experience the thrill of 3-day eventing are encouraged to participate! For more information, visit the GMHA website at [www.gmhainc.org](http://www.gmhainc.org).

To be considered for a place on any of the Area I teams, candidates must:
